

Jochen Moll, CEO BizSphere AG

Since July 2010, Jochen Moll has been CEO at BizSphere. He has more than 20 years of experience in the IT Industry, serving in many different national and international management and executive positions.

Before he started with BizSphere, he was Managing Director, Germany, at EMC and until recently he helped to jump-start the business operation as Vice President of Strategic Alliances for Europe, the Middle East and Africa. At IBM, he was Vice President Software Group in the CEMAAS region (Central Europe, Middle East, Africa, Austria and Switzerland). Prior to this responsibility he managed the Software Group unit in Germany, Austria and Switzerland. Before leading the IBM Software Business, he oversaw the IBM Business Partner Organization as Vice President in these countries. With his position as Director of Competitive Marketing & Sales EMEA, Jochen Moll started his international management career.

Working for IBM, he completed different Executive Trainings, e.g. at Harvard Business School (Boston, USA) and at INSEAD Business School (Fontainebleau, France). After his studies (Diplom-Betriebswirt, BA) and his education as System Engineer, Jochen Moll was working for IBM for ten years in different sales and management positions in the Finance Sector and Storage Area.
