BizSphere appoints new Head of Sales

Stephan Timme leads Central Region (Germany, Austria, Switzerland)

Stuttgart, February 09, 2011 - The innovative software and consulting company BizSphere appoints Stephan Timme as new Head of Sales Central Region, effective February 14, 2011. In this position the former IBM manager will be responsible for the BizSphere sales organization in Germany, Austria and Switzerland, Europe. Stephan Timme works with BizSphere to leverage the distribution channel and the customer portfolio.

“We want to accelerate our growth in Europe - especially Germany, Austria and Switzerland - and enhance our solution and consulting portfolio”, commented Jochen Moll, BizSphere Chief Executive Officer. “Having Stephan Timme on board will strengthen our sales team and with his expertise and experience he will help us to drive our business forward”.

Stephan Timme comes to BizSphere with more than seven years of experience in different, leading sales positions at IBM. Before he joined BizSphere, he served as Sales Manager, Information Management Software, Public and Distribution for IBM Software Group. Prior to this position he was responsible for selling the total IBM portfolio into all lines of business in the Industrial Sector.
